**Licking County River Round Up 2017 Poster Contest**

Licking County River Round Up is an annual, county-wide, waterway cleanup event in the Licking River Watershed. Hundreds of volunteers participate in the event by collecting trash and debris along shorelines and in the water. Each year volunteers remove over 1,500 pounds of trash, 700 pounds of recyclable materials and about 300 tires from the Licking River and its tributaries. River Round Up is co-hosted by numerous local government agencies and community organizations.

The Poster Contest is open to all school-aged youth in primary or secondary schools (public, private, and home school; K-12) in Licking County. **Posters should reflect water pollution awareness and encourage volunteer participation in the River Round Up.** Prizes will be awarded to students and their respective schools. The winning school will receive a \$500 scholarship for use to advance science and art programs. Up to two honorable mention schools will receive a \$250 scholarship each. The grand prize includes having the winning poster used as the primary electronic marketing picture for the 2017 River Round Up. All entries will be displayed on the River Round Up Facebook page. Winning posters will be displayed at a River Round Up registration site on Saturday, September 9, 2017.
