

LANDSCAPE FOR LIFE™

Based on the principles of the Sustainable Sites Initiative™

Time:
Thursdays, Mar 19th to Apr 30th
@ 6-8 PM
(No class Apr 23rd)

Location:
Infirmery Mound Park
James Bradley Center
4309 Lancaster Rd, Granville

Curious about simple things you can do to create a great looking property that's healthier for you, your family, your pets, and the environment and that saves you time and money? Join the Licking Park District and Licking Soil and Water Conservation District for the six week Landscape for Life™ series to learn how to create healthy soils, conserve and manage water, attract beneficial insects, birds & wildlife, cultivate a safe lawn, and reduce maintenance time in your landscape. Each class will have "homework", culminating in a personal property design! Fee: \$20 for series.

Register today at www.lickingparkdistrict.com or call 740-587-2535!
