III. **LANDOWNER ACKNOWLEDGMENT**

By signing this **Pre-Application**, I understand and acknowledge the following:

A. Licking County Soil & Water Conservation District (Licking SWCD) is the Licking County 2020 Certified Local Sponsor for the Ohio Department of Agriculture's (ODA) 2020 Clean Ohio Local Agricultural Easement Purchase Program (LAEPP). All available ODA documents, including program requirements and draft easement deeds (subject to revisions), are available to me at: <https://agri.ohio.gov>. (Scroll to bottom of page and click on "*Farmland Preservation Office*", under "*Our Programs*").

B. If an agricultural easement is placed on my land, I understand that I will still own my land and may sell, gift or otherwise convey it to others. I also understand that **the farm cannot be subdivided after the agricultural easement is placed on it**. Once my application is submitted, and if selected, I understand that the Local Sponsor has the right to terminate application if avoidable changes to ownership or new encumbrances occur that could delay the easement acquisition process.

C. I have reviewed and understand the ODA *2020 Policies and Guidelines for Landowner Application* requirements, from ODA's website (noted above), and my farm meets ODA's minimum requirements:

1. My farm is at least 40 acres (or 10-39 acres if it shares a substantial border to existing protected land; see ODA *Small Farm Policy*).
2. My farm is enrolled in the Current Agricultural Use Valuation (CAUV) program.
3. My farm is enrolled in an Agricultural District. If not, I will enroll it by Friday, March 6, 2020 and provide a copy of the approved application. Go to <https://agri.ohio.gov> (Scroll to bottom of page and click on "*Farmland Preservation Office*", under "*Our Programs*", then click on "*Forms*" on right side of screen).
4. My farm consists of all contiguous parcels (sharing property lines and/or roadway frontage) with the same legal ownership.

D. I understand ODA's Farmstead/Homestead Policy which "*permits one homestead to be reserved if no housing currently exists on the applicant property. The reservation allows for one-single family home to be built in the future. If housing exists on the property at the time of application, then no additional residences may be built. Any future or existing house on the preserved farm may not be subdivided from the farm.*" Reserved homestead can be up to two acres.

E. Funding for this Program is not guaranteed. Funding for my farm is not guaranteed. This Pre-Application is non-binding. If I receive an ag easement purchase offer, I will be asked several times to confirm my willingness to proceed with the agricultural easement purchase process.

F. I understand that certain expenses are associated with placing an agricultural easement on my land, and that neither ODA, nor Licking SWCD will pay for these expenses. These estimated costs to me, as the landowner, are listed in **Attachment A, Landowner Cost Estimator**, of this form.

G. I have reviewed and understand the requirements of the ODA Program. Licking SWCD may submit an application to ODA on my behalf. ODA does not allow me to submit an application on my own.

H. I understand that Licking SWCD cannot and does not provide legal or financial advice, and encourages landowners to seek information from their own advisors.

I. The maximum amount ODA will pay is \$2,000 per acre, using ODA's points-based application. In Licking

County, the amount offered has ranged from about \$400 to \$2,000 per acre. The minimum amount per acre I am willing to accept is: \$_____. I understand that the minimum amount I have written here is not binding.
