

The 3rd Annual

Backyard Conservation Day

May 13, 2023

8:30 am - 1 pm

771 E Main Street, Newark, OH 43055

Join us for a day of hands-on activities at Soil and Water's very own Land Lab. Follow Licking County Soil & Water Conservation District on Facebook for more details.

- Explore our rain gardens, wetland, and woodlot
- Learn about invasive species & native plants
- Make nature-related crafts
- Purchase tree seedlings*, rain barrels, wildflower seeds, and more!
- Talk to our natural resource professionals
- Tour the Licking County Master Gardener's demonstration garden

*Visit www.LickingSWCD.com for list of species available and complete list of products for sale. • 740-670-5330 •

Held in conjunction with Master Gardener's Plant Sale; See other side

Saturday, May 13 from 8:30 - 3

PLANT SALE

Great gifts for Mom
for Mother's Day

NEW LOCATION!!
ONE DAY ONLY!!

771 EAST MAIN STREET, NEWARK,
in our Learning Gardens

All sales supports the
Licking County Master Gardener
Volunteers outreach programs.

Held in conjunction with the
Licking County Soil and Water
Backyard Conservation Day.
(See the other side)

A wide variety of plants have been prepared just for the home gardener, including perennials for your sunny and shady spots, succulents, houseplants and herbs. Veggie gardeners will find a wide variety of healthy tomato and pepper seedlings and guidance for when to plant them.

Plus, garden yard sale items, combo planters and craft items related to gardening!

Master Gardener Volunteers will be on hand to answer your gardening questions or suggest plants for your garden conditions.

Event runs rain or shine!
