ELECTION NOTICE

On November 8, 1972, in accordance with Chapter 1515.05 of the Ohio Revised Code, the Licking County Soil and Water Conservation District will cause an election to be held at the Watkins Memorial High School at 7:30 p.m. in conjunction with the annual meeting electing two (2) supervisors to fill the expiring terms of Albert Ashbrook and Orville Felumlee, Jr. Nominees to fill the expiring terms are:

For three year terms -

Alexandria, Ohio 43001

Alton Blatter - Union Township
Route 1
Hebron, Ohio 43025

Orville Felumlee, Jr. - Madison Township

Nominations will be accepted from the floor at the time of election. An eligible voter is anyone of legal voting age that either resides within the district or who owns property within the district. KTCH GRASSLANDS, INC. is a farmer owned cooperative formed to improve grasslands in Knox, Tuscarawas, Coshoc-ton, and Holmes Counties.

Services of KTCH include land renovation through brush removal, land preparation, and seeding. They also offer the unique services of a fence building machine. At \$19 per hour, this dozer-mounted machine drives the posts, strings and stretches the wire in one continuous operation. Convenient for a busy landowner. You can save money too by driving your own staples.

Leonard Knuchel in Hopewell Township had about 2 miles constructed with this machine.

You may call Troy McIntire, KTCH Manager at Lakeville, Ohio, for more details. The telephone number is 419-827-2622 after 5:00 p.m. He said that they're pretty busy, but encouraged Licking Countians to call for a construction date.
